Many years had passed since I had been in the halls of dear old Parry McCluer. I had attended a P. T. A. meeting on this particular Thursday--my first such visit since returning to Buena Vista. In the midst of the program, a feeling of nostalgia suddenly swept over me, and I left the auditorium quietly. I wandered aimlessly down the corridor. The first door to attract my tearful eye was the one which led to Mr. Tenney's office. It was ajar, so I wandered in. I closed the door behind me, after turning on a light over his desk. The sounds from the auditorium faded away. On the desk was a gigantic crystal ball, and beside it, a list of students whose absences had been checked through gazing into its depths. With memories of my own school days strong within me, I gazed into the ball.

Suddenly, a figure rose to the surface. It was Clarence Argenbright. Remember how he used to sing in Miss Glass's government class? I learned from a card which he held in his hand that he has now taken over Eddie Arnold's TV program. As he faded away Doris Argenbright appeared. She had always had great artistic ability, and the card which she held in her hand informed me that her work was now being exhibited in New York City. She was followed by Jessie Austin in the ball. Jessie, as everyone expected, is now doing very well with James Lee and Sons'. She is the first woman supervisor of the company.

Next came golden-voiced Betty Bates, who is now the leading singer of the Metropolitan Opera. Also an entertainment star, I soon learned, is Billy Cash. He is now starring as a great lover on Broadway. He was on his knees before a beautiful actress in the crystal ball. In a moment Carlyle Cash appeared. Since leaving Parry McCluer, Carlyle has made all-American and become an important figure in the sporting world. Loretta Chittum, I learned, is still studying for her master's degree in Menology at W & L. Billy Coffee is still in Buena Vista. He is now operating the largest skating rink in Virginia. It is somewhat better than the one he worked at during his senior year. Doris Coleman is now house mother at the Beta House at W. & L. Barbara Jean Decker really used her head when she went to the co-ed school at Louisville, Kentucky, for she has realized two of her greatest goals in life.

Bobby Falls was recently elected Mr. Lover Boy of 1964. It certainly came as no surprise to all who knew him.

PROPHECY

Berlin Fitzgerald is now the money man in Texas. He owns the largest cattle ranch there. Shirley Giroux is at present the secretary to the governor of Virginia. It is amazing that one of our quiet little girls went so far.

Dixie Glass, I learned from Mr. Tenney's crystal, has taken over her mother's job in the principal's office. It must seem strange to the students to see her moving slowly up the hall after watching her mother, who was always in a hurry. Jean Glass is now teaching chemistry at V. P. I. Remember the interest she had in that particular school during her senior year? And remember that brilliant Allan Graham, who was the top student of the class? Everyone thought he would become a Latin professor, but, instead, his interest turned toward girls--and Jefferies' Variety Store. Hilda Hall has been in many beauty contests since she left high school, and recently she won the Mrs. America title.

Ecker Hamilton is now head coach at V. M. I. Remember his receiving the Good Sportsmanship Award during his senior year? Wayne Hartless is now famous for his wrestling. Eddie Hostetter and Charles Moran are now the new owners of Nuckels Service Station in Buena Vista. Jimmy Lynn has followed in his father's footsteps. He is head clerk at the U. S. Post Office in Baltimore, Maryland. Paul Mohler, after ten years of keeping his drug store dates with Janice Green, is now co-owner with her of the Corner Drug.

Charles Moore appeared in the crystal driving his own Packard for the Buena Vista Flower Shop which he now owns. Roberta Morrey and Loretta Painter are head nurses at the Buena Vista Hospital. Floyd Schad has organized a lonely hearts club in Charlottesville. He had so much trouble keeping a girl during his high school career that he decided to help others find their mates. Phyllis Sizer has taken Betty Jo's place at the Valley Store.

As the crystal suddenly began to darken, I learned that Freddie Stinnett is now an outstanding pitcher for the Brooklyn Dodgers. The last figure to appear was Harold Watts. Harold has a very important job; he is chauffeur to the President of the United States.

Remember how I used to drive my daddy's GMC truck? I am now one of the owners of the company, but I have time, and reason, to attend P. T. A. meetings now. I shall never forget my first such meeting.

"Fighting Blues" End Season With 8 to 0 Win Over Lexington

The "Fighting Blues" of Parry McCluer High School ended the 1953 football season in a blaze of glory when they downed their traditional rivals from Lexington by a score of 8 to 0 before a large crowd on the local field last Friday.

The "Blues" broke a scoreless deadlock in the third period when Carlyle Cash blocked Kenneth Miley's punt in the Lexington end zone and Cash and Eckert Hamilton tackled Miley as he tried in vain to run the ball out. A safety was scored and Buena Vista led 2 to 0.

A few moments later Cash repeated the blocking act, this time on the Lexington forty. Eddie Hostetter picked up the loose ball on the thirty-five and aided by a block from Carlyle raced thirty-five yards for a touchdown. The extra point was no good and the "Blues" led 8 to 0.

Buena Vista threatened to score on two other occasions, both coming after Red Moore had made magnificent catches of long passes thrown by Carlyle Cash on an end-around play. Each time Moore carried to the Lexington five-yard line, the first play covering 45 yards and the second, 56 yards. On the first occasion, a five-yard penalty with Buena Vista on the one prevented a score. The next time the "Blues" approached pay dirt, the heavy Lexington line, led by the superb play of Co-Capt. John Mutispaugh simply rose up and held her down. Mutispaugh, who alternated between tackle and fullback, was a tower of strength for the "Scarlet Hurricane" and except for his stellar play the score would undoubtedly have been higher.

Buena Vista led in first downs, 10 to 8, and had a wide margin in ground gained. Lexington did not get past the Buena Vista thirty-yard line and for the most part were held in their own territory. This was the second year in a row in which the "Fighting Blues" have defeated Lexington, both times by shut-outs.

Wendell Steele and Kenneth Miley were constant threats for Lexington, but a very tight and of them to break away. Lexington played without the services of Charlie and Phillip Hamric, who had taken gamma globulin shots when their younger brother was alert defense did not allow either stricken with polio.

The entire "Blues" team played heads-up ball, and the defensive work of Carlyle Cash, Eckert Hamilton, Bobby Falls, and Bruce Royer was outstanding. Cash was used twice on the end-around pass play, the only times the play was used this season, and he has a perfect passing record, two for two. It might easily have been one for two, however, except for the very spectacular catch Red Moore made on the first pass. He caught it at top speed, just barely getting his finger tips on the ball. The effort caused him to stumble and fall on the five-yard line before he could recover his balance, and prevented a score. Hostetter's punting kept the ball away from Steele, the shift "Hurricane" safety man, but he got good distance on all of his kicks even then.

Six of the "Fighting Blues" played their last football game for P. M. H. S. and their own song was a glorious one, a victory over Lexington being the sweetest music that can come to the ears of a Buena Vista athlete. They are Co-captains Bobby Falls and Eckert Hamilton, Eddie Hostetter, Carlyle Cash, Charles Moore and Freddie Stinnett. All will be sorely missed in 1954, but capable replacements will be found among the nineteen returning members of this year's squad plus the incoming freshmen. Bobby Withers, Bruce Royer, Forrest McElroy, Billy Huffman, Ralph Hamilton, Hunter Falls, and Larry Rice are the "regulars" who will return next year, while many who saw considerable service this year are counted on for regular duty. They include Donny Holt, Bobby Dyer, Joey Sisler, David Loughhead, Elwood Cash, Emmett Cash, William Cash, Frank Rader, David McCormick, David Cullen, Benny Glass, and Butch Grow.

Head Coach Earl Schaub and Assistant Coach Bob Smith deserve the plaudits of the entire student body, and all the local fans for that matter for the manner in which they have taken a small, inexperienced squad, and brought them along slowly and carefully, gradually rounding them into a team which won six games while losing only three, four of those wins being against very tough District 5 opponents. The "Blues" were well-drilled in fundamentals and were a thoroughly conditioned squad. This showed throughout the season as the P. M. H. S. lads made up in spirit and know-how what they lacked in size and numbers. Their fine coaching is reflected in the fact that Buena Vista is the only opponent which has held Lexington scoreless during the past two years, and the "Blues" have done it twice.

Buena Vista defeated Roanoke Catholic 6 to 0; R. E. Lee of Staunton, 12 to 0; Natural Bridge Camp, 57 to 6; James Wood of Winchester, 13 to 7; Natural Bridge, 12 to 0; and Lexington, 8 to 0; and lost to Wilson Memorial, 33 to 7; Waynesboro, 26 to 6; and Clifton Forge, 20 to 13.

Wouldn't It Be Funny If

Larry was wheat instead of Rice?
Hilda was a room instead of a Hall?
Iris was white instead of Greene?
Jean was rubber instead of Glass?
Loretta was a carpenter instead of a Painter?
Mac was wool instead of Felts?
Billy was tea instead of Coffee?
Billy was credit rather than Cash?
Athena was rock rather than Flint?

The cast is as follows:

The Underground

Well, folks, it seems that Allan G.'s interest has changed from Frieda E. to a certain Natural Bridge girl. Could her name be Sophie??? Come on Allan and let us in on your secret, because we are certain to find out sooner or later anyway.

And did you know that Elsie Lee finally got her glasses? They are very becoming too!

Who is that certain senior boy that Marian G. is interested in? Come on, Marian and tell us, please.

It seems as if Loretta C. has changed from Lexington to B. V. boys. Hasn't she been seen with Glen A. recently?

Marion Giroux was seen at the Creek with Lewis M. Monday night - bet you miss "Coon" since he left for V. P. I! And speaking of last year's senior boys, I wonder if Betty M. is going to miss Johnny K.? Bet she does after being together so much this summer!

Dorothy Stinnett, who is your admirer in the service that you get mail from so often?

Another girl interested in the Lexington boys is Mary Frances D.I. How about it, Mary? Someone said you had a date with a certain Willie B. Saturday night.

We are surely glad to see Janice G. and Paul M. back together again - heard that you had had a spat!

"Liz" H. has been seen with a certain Freddie H. a great deal lately.

Bobby A., you really must be serious since you have to go such a long way to see Linda S.

Blues' Player Makes All Star Second Team

Carlyle Cash, who has played sensational ball this year, in his position as end on the Parry McCluer Fighting Blues Football Team won a place as guard on the second string team of the District 5, All Star.

Several Blues' players won honorable mentions. They were Red Moore, end; Ed Hostetter, tackle; Hunter Falls, center; and Eckert Hamilton and Billy Huffman, backs.

The selection of an All Star team was carried out this year by sports writers of the newspapers serving District 5.

Cheerleaders Elect New Members

After many try-outs, the cheerleaders elected the following eighth-graders as cheerleaders to be added to the '54 squad: Nancy Burch, Ruth Chaplin, and Betty Jo Shewey. The co-chiefs for next year will be Barbara Dixon and Betty Moran.

The Underground

It seems that the people around P. M. H. S. are staying out of the Mole's way, since I so seldom see any of the boys and girls going places.

I'll bet Phyllis S. had fun Saturday night. 'Tis rumored you were with the old flame again!!!

Phyllis C. is getting around quite a bit and with different partners too. Friday night she was with a W&L student and then Saturday night she was with a certain boy from Natural Bridge. How do you do it, Phyllis?

Doris S. is surely rating these days. She came to the basketball game with not one boy but two - now, how about that Doris?

Freddie S., what is this I hear about you falling for that Natural Bridge girl?

Something new has been added since the Christmas holidays! Loretta C. has been dating Eddie G. She was with him at the movies Sunday night.

Sonny M., what's this we hear about you being with Liz H. Saturday night!! Is there something new or have you been holding out on us?

Carlyle C. was seen having a good time Friday night flirting around with all those Natural Bridge girls!!

Joanne G. and Dickie S. are getting along exceptionally well of late . . . More power to you two!

Billy H. and Peggy W. were seen together Saturday night . . . wonder where the other two of the foursome were - Allen G. and Frieda E.

Charlotte M. was seen with Bud S. Sunday night . . . Charlotte is one of those you don't see too often.

Carolyn S. is usually looking for letters. Could they be from a certain boy in West Virginia??

Did you see Marian G. Saturday night with a cadet? Who was he, Marian???

Floyd S. and "Boots" J. have made up and are going strong again.

Everywhere you see Donnie H. you see Jean W. these days - for instance at the basketball games!

Have you students noticed the diamond rings, watches, bracelets, etc., that are floating around school since Christmas!!

Dixie G., it is rumored that you had a really good time Friday night!! Come, tell us all about it, Dixie.

Jim, Elsie Lee, John and Roberta were in the drugstore Sunday afternoon. They were having the best time!

So long 'til next week,
-THE MOLE

We're Dignified Seniors Now

Our class rings arrived last week and as we put on those nice new rings we realized more than ever that we are now seniors and that the wearing of this ring carries with it certain prestige and honor. May all of us be conscious of what that ring represents and live up to the expectations of a "dignified senior."

We, the Class of Fifty-four Take the place of those before. Though we were looked upon last year

As a bad influence for the sophomores dear.

We shall strive through the coming year

To undo all the wrong we've done here.

We'll work with a lot of pep and "know-how."

For we're dignified seniors now.
